OVERVIEW

ABOUT OUR ANNUAL CONFERENCE AND DESIGN EXPO

The TxA Annual Conference and Design Expo is an intensive three-day experience drawing more than 3,000 industry professionals each year. Our wide range of engaging and timely educational sessions, tours, and events provide architects with a unique opportunity to fulfill their required credits for licensure, network with colleagues and vendors, and leave recharged and inspired for the year ahead.

Held on the first two days of the Conference, the TxA Design Expo is the premier architectural products showcase in the Southwest. With approximately 300 booths, our two-day show offers a variety of the highest quality architectural products and services on the market.

ABOUT TXA

The Texas Society of Architects (TxA) is a state component of the American Institute of Architects (AIA). Founded in 1939, we are one of the nation's largest organizations of architectural professionals, with 17 regional chapters and more than 6,800 members. Our mission is to be the voice for Texas architecture, supporting the creation of safe, beautiful, sustainable environments.

Representing more than 12 percent of the AIA National membership, TxA continues to be one of the largest and strongest state components.

WHY PARTNER WITH US

As the voice for Texas architecture, TxA seeks to maintain the profession and foster growth, progress, and recognition for architecture statewide and throughout the Southwest. By partnering with us, you send a clear message that you support safe, beautiful, and sustainable environments.

Enclosed, you'll find sponsorship opportunities that cater to all marketing needs and provide year-round exposure and ongoing industry involvement.

YEAR-ROUND EXPOSURE

In addition to our Annual Conference and Design Expo, TxA has other events and activities throughout the year that allow you to market to your target audience. From our Annual Design Conference, to TAC, our government relations program, to TAF, our scholarship organization, your company can support Texas architecture in a variety of capacities beyond our Annual Conference and Design Expo.

NEW OPPORTUNITIES IN 2020

TxA has conducted extensive research in order to optimize our sponsorship opportunities. We've found that just as each of our partners' business models is unique, so is their preference when it comes to allocating their marketing dollars.

As a result, TxA sponsorship packages now offer both a base level of proven sponsorship benefits, as well as flexible benefits to allow your company to tailor your visibility. Whether you prefer to focus on education, networking, the industry, or special events, TxA offers a range of opportunities in your budget for maximizing your marketing dollars.
