

An abstract graphic composed of numerous thin, green, curved lines that create a sense of depth and movement, resembling a wireframe model of a curved surface. The lines are arranged in a way that suggests a three-dimensional space, with some lines appearing closer and others further away, creating a perspective effect. The overall shape is somewhat elongated and tapers towards the right side.

STUDENT DESIGN CHALLENGE

Calling future architects,
designers, and innovators:
share ideas and express your
creativity through design!

DEADLINE: OCTOBER 9, 2025

**Texas
Society of
Architects**
